Chesapeake, VA – 6/25/24 – Survivor Ventures is thrilled to announce a special Dine and Donate event at Bubba's 33 at Chesapeake Square on July 30th, 2024. The event will take place from 11:00 AM to 10:00 PM and aims to raise funds for Survivor Ventures' Wellness Program, which provides vital support to survivors of human trafficking.

The Wellness Program is designed to offer mental health support with traditional and holistic therapies, alternative healing methods such as chiropractic care, massage therapy, medication management and other mental health support options to survivors. These services play a crucial role in helping individuals rebuild their lives and recover from the trauma of human trafficking. It is important to note that the impact of trafficking on survivors is long-lasting, regardless of their stage of healing, this support is vital to their success.

Guests are invited to enjoy a delicious meal at Bubba's 33 while supporting a worthy cause. A portion of the proceeds from the event will be donated to Survivor Ventures' Wellness Program, directly benefiting the survivors who rely on these essential services.

In addition to the dine and donate event, the evening will feature an exciting Murder Mystery and Fashion Show. Attendees can immerse themselves in a thrilling “whodunit” experience and enjoy a showcase of stunning fashion by local designer Karte Blanche.
